“I find parts in 5 minutes.”

Buyer

“I like the 3D drawings, that I can zoom in and find details such as bolts.”

Technician

“It’s awesome that this allows me to not have to go through the Serial BOM.”

Product Specialist

“The objective is to make sure that I have the correct part number. Being able to point and click on it is much easier than guessing.”

Buyer

“Pathfinder saves time that’s wasted on pictures going back and forth via email.”
